

A fantastic opportunity to promote your business to thousands of people!

Now in its 20th year, Wings Over Wairarapa Air Festival 2019 is the largest air show held in the North island. The air show is easily the biggest event in Wairarapa, attracting an audience of over 24,000 from New Zealand and around the world. The next Air Festival will be held at the Hood Aerodrome in Masterton over three days - 22, 23 and 24 February, 2019.

The Wairarapa Journal has partnered with Wings Over Wairarapa Air Festival 2019 to design and publish a special 20th anniversary commemorative book, including the full event programme. This very high quality, collectable book includes wonderful photography, special aviation editorial, information on services and attractions in Wairarapa and more.

The commemorative book is a beautifully designed and collectable keepsake for the event, with longevity much further beyond. With over 6,000 copies, the book will be a minimum of 64 pages, perfect bound and printed on very high quality paper with a heavy weight cover.

This is one of the best advertising opportunities available all year!
